SUMMARY

Computer Science and Engineering Graduate from G H Raisoni College of Engineering and Management, Nagpur, with hands-on experience in software and web development gained through internships at PhoenixZone Technologies, Cognifyz Technologies, and NRSolution4u.

Skilled in HTML, CSS, JavaScript, SQL, JSP, and responsive web development, with experience integrating frontend applications with backend APIs and implementing secure, user-centric solutions. Passionate about building scalable applications, solving real-world problems, and continuously expanding my technical expertise.

Currently seeking opportunities as a Software Developer, Frontend Developer, Web Developer, or Full-Stack Developer, where I can contribute, grow, and create meaningful impact.
